TERMS Net Cash or approved note at 60 days.

All settlements not made in 30 days subject to sight draft. Claims for imperfections or errors must be made within 5 days after receipt of goods. All goods will be shipped at owners risk and released unless otherwise ordered.

When we have delivered goods to railroads and have obtained their receipt to this effect, our delivery is effected and our contracts are complete.

We will not be responsible for overcharges in freight. Should overcharges occur, if you desire, we will assist you in collecting same.

Customers, when first ordering, should furnish satisfactory reference, thus saving time that would otherwise be lost in correspondence.

WAREROOM FRONTING VALLEY STREET.

This building contains more finished Granite Monuments in nearly all the Standard Granites than can be seen in any one place in the United States. This building is built of Bedford Stone, equipped with three steel traveling cranes extending over side track. Size of room 130 ft. by 120 ft. We have assembled here Granite in various colors from all parts of the United States, at a cost of thousands of dollars in freight and labor, that should prove a great convenience to dealers in the Middle West.

N COMPARING our prices with eastern manufacturers, remember that granite weighs one hundred and eighty pounds per cubic foot dressed, and rock face two hundred pounds. Figure cubic contents and weights, and compare price after figuring difference in freight rates between Burlington and your City, and eastern points and your city. After doing this you will find our prices equal if not lower than others, consistent with good work and materials.
